Chemainus Secondary School
Mr. Arkell garkell@sd79.bc.ca

'Uy' skweyul. Good day. I acknowledge that this land on which we live, work, and play is the traditional territory of the Coast Salish peoples, specifically the lands of the Stz'uminus, Penelakut, Halalt, and Lyackson Nations. We respect the longstanding relationships that Indigenous Nations have to this land.

This course is designed to grow your language arts skills of listening, speaking, reading, writing, viewing, and representing with a main focus on writing. Communication, thinking, personal and social skills will be developed as we explore this course's four big ideas:

The exploration of text and story deepens our understanding of diverse, complex ideas about identity, others, and the world.	Texts are socially, culturally, geographically, and historically constructed.	Language shapes ideas and influences others.	Engagement with writing processes can support creativity and enhance clarity of expression.
