**Conflicts and Issues**

Create a poster illustrating one of the important Cold War conflicts or issues we have learned about spanning from 1945 to 1973. With a small group (of two to three students), choose one of the following conflicts or issues and research why it was significant. Key questions you may consider are: When and where did it occur? What was the reason for the conflict/issue? How were Canadians involved? How did it influence Canada? What was the result? While planning your poster, be sure to conduct research on your event so you can provide a detailed and accurate response. You should also familiarize yourself with any pictures associated with your event so you can draw visuals that relate to and enhance the quality of the information you include. Work cooperatively with your group members to design a poster with text, colours, and drawings that demonstrate your knowledge. One final mark will be given to all group members.

**Choose A Cold War Conflict/Issue:**

- The Gouzenko Affair
- The Avro Arrow
- The Korean Conflict
