Nuclear Close Calls of the Cold War: The Suez Crisis and the Cuban Missile Crisis: I Can Statements

1. I can list and provide details about the key people, places, events, and dates associated with the Suez Crisis and the Cuban Missile Crisis.
2. I can describe how the British, French, and Israeli governments responded to the nationalization of the Suez Canal and how the U.S. government responded to the Soviet missiles in Cuba.
3. I can understand the nuclear threat that existed in the world in the 1950s and 1960s.
4. I can evaluate U.S. President Kennedy's handling of the Cuban Missile Crisis.
5. I can assess the economic threat the nationalization of the Suez Canal posed to Britain and France and the military threat the Soviet missiles in Cuba posed to the U.S.
6. I can explain actions taken by the United Nations to resolve international conflicts.
7. I can describe the causes and consequences of the Suez Crisis and the Cuban Missile Crisis.
