Timeline

Create a coloured timeline illustrating the important Northwest events and people we have learned about spanning from 1800 to 1870. For each event you label and draw on your timeline, provide a write-up on the back describing what happened, who was involved, and its significance. While planning your timeline, be sure to conduct research on each event so you can provide a detailed and accurate response. You should also familiarize yourself with any pictures associated with each event so you can draw visuals that relate to and enhance the quality of the information you include. Make your timeline visually appealing by adding pictures, maps, charts, quotes, etc. Arrange your timeline and write up of events in the proper order of years in which they occurred.

- Your timeline will include the following:**
- 1810: Metis settle in the Red River Valley
 - 1812: Founding of the Selkirk Settlement
 - 1814: Pemmican Proclamation
 - 1816: Battle of Seven Oaks
 - 1821: Merger of the Hudson’s Bay Company and North West Company
 - 1869: Canada buys Rupert’s Land **OR** Red River Resistance
 - 1870: Execution of Thomas Scott **OR** Manitoba enters Confederation
