The Pearl Questions Chapter 5

1. What does Juana try to do with the pearl? Why? What does Kino do?
2. What happens on the beach? What happens to the pearl?
3. Given a second opportunity after finding the pearl on the sand, why does Juana not get rid of it?
4. Why will it not matter that Kino killed the man in self-defense?
5. As they head for home, what two discoveries do they make? What does this signify?
6. What is Juan Tomas' opinion of the pearl at this point?
7. By the end of this chapter, the pearl has become a moral issue to Kino. How does he express it (quote)? How do you explain it?
